

2024-2025 ENROLLMENT IS OPEN TO CURRENTLY ENROLLED FAMILIES on March 1st 2024!!!

If your student is currently enrolled and is continuing enrollment for the 2024-2025 school year, you have the first opportunity to enroll. You may also apply for any siblings (2 year old through 12th grade) that are not currently enrolled with us for the 2024-2025 school year.

Applications are available to print from our website, attached to the email sent to you on 2/29/24, or may be picked up from our office.

To secure your current student's spot, please turn in the 2024-2025 enrollment application and enrollment fee.

To apply for a sibling who is not currently enrolled, please turn in the application (no money due yet). Once the current students have enrolled, we will evaluate any available seats. If there is an availability in the class you are requesting, we will reach out to you to officially begin the application and interview process for any new-to-us siblings.

After spring break, applications will be accepted from past families who wish to return to SCA but are not currently enrolled for this school year and brand new families to SCA.

Don't wait. Seats are limited!

We look forward to partnering with your family for the next school year.
